# Cypress – Custom Commands challenge

# Description

This challenge is designed to enforce the use of Cypress Custom Commands.

# Tests Cases

### TC1 – Validate invalid user message

1. Navigate to https://www.saucedemo.com/
2. Enter an invalid user
3. Enter an invalid password
4. Click on LOGIN button
5. Validate that the following message is displayed: "*Epic sadface: Username and password do not match any user in this service*"

### TC2 – Validate locked user message

1. Navigate to https://www.saucedemo.com/
2. Enter a locked user
3. Enter corresponding password
4. Validate that the following message is displayed: "*Epic sadface: Sorry, this user has been locked out.*"

### TC3 – Validate that the user can purchase an item

1. Navigate to https://www.saucedemo.com/
2. Login with a valid user
3. Purchase an item
4. Validate that the following message is displayed: "*Your order has been dispatched, and will arrive just as fast as the pony can get there!*"
